- Speciality
- Location

Printable Solutions

Conference Editions

Use our suite of leading journal titles covering many specialties and therapy areas. Many are published on behalf of professional associations or colleges allowing you to access the specialist membership circulation. Time your marketing campaign to run in our special editions where editorial content is themed around content delivered at key conferences throughout the year

Reprints

Reprints of original articles from journals, are a cost-effective and authoritative way of providing information on advances in medicine and new therapeutic areas. Reprints are invaluable for direct marketing, exhibitions/seminars and sales support campaigns and for mailing new product information to doctors. Eprints allow for digital distribution.

NEW

Clinical Infographics

Created by BMJ, these dynamic, visual posters can be distributed through our enviable marketing channels in a digital or print format. A schedule of topics can be supplied on request.

BMJ Best Practice sponsorship

Create a lasting impression with world-class content from BMJ Best Practice.

The BMJ Best Practice website is visited by over 100,000 clinicians from 800 medical institutions in over 60 countries. Offering step-by-step guidance to clinicians on diagnosis, prognosis, treatment and prevention.

Two exciting new options are available:

Reprints

Engage with healthcare professionals at conferences and meetings with branded reprints of our evidence-based collection of point of care content.

Licensed content

Enhance your educational projects with online licensed content from Best Practice on the website of your choice. Choose from 29 medical categories including:

- | | |
|--------------------------|-----------------------|
| Cardiovascular disorders | Gastroenterology |
| Dermatology | Oncology |
| Endocrinology | Respiratory disorders |
| Metabolic disorders | Rheumatology |

Topics available in English, English US, Portuguese, Mandarin Chinese and Spanish.

Events and Bespoke Solutions

The BMJ Awards

Suggest a category

Sponsor packages are available - work with us to showcase the very best healthcare in the UK

“One of the very best health awards. It provides brilliant recognition of outstanding healthcare within the UK!”

–Richard Lane OBE,
President, Diabetes UK

Event Exhibition & Sponsorship

BMJ host many events* throughout the year, ranging from specialist to general updates for GPs and quality improvement and patient safety initiatives within a global environment.

- International Forum on Quality Improvement in Healthcare: Europe & Asia
- BMJ Masterclasses - regional events covering all of the UK
- BMJ Live - from medical school applicants, junior doctors to senior grade consultants

Roundtables

Leadership Value

BMJ will bring together by invitation-only, a panel of 6-10 thought leaders, chaired by a leading clinical specialist, to discuss a critical topic. The output of this discussion will be published as a peer-review article, or supplement in the relevant specialist title. Distributed to the full print circulation and available online, with added traffic drivers in place across BMJ channels to ensure clinicians globally can access this content.

Case Study

Improving care for patients with idiopathic pulmonary fibrosis (IPF) in the UK: a round table discussion” was published online and in the print version of our leading respiratory journal, Thorax. The article to date has 8,151 full text downloads. Traffic drivers have led to significant metrics:

- 8,151 downloads to date
- 6th most downloaded article in 2014**
- Cited 2 times
- YouTube videos received 119 views
- Sponsor: Boehringer Ingelheim
