**Specifications**

- **File type**: GIFs (animated preferred) and Rich Media accepted, subject to production clearance
- **File size**: Up to 50kb
- **Deadline of receipt of material**: 5 working days prior to publication

*CPM is the abbreviation for cost per 1,000 impressions, which refers to the number of times your advertisement is seen or downloaded onto a specific page.*

**Please note**: Advertisements are accepted subject to availability and BMJ approval.
Additional advertising opportunities!

Maximize your visibility – and investment – through these creative ad placements.

- **eToc alert advertising:** Available for each BMJ journal. eToc recipients have opted-in to receive an email with the table of contents for each new issue.

- **e-Newsletter advertising:** Quarterly and monthly content marketing emails are sent to specialty-specific U.S. physicians. 30% average open and 40% average click through rate.

- **Controlled print circulation:** Sponsor sending an entire journal issue to U.S. health care professionals.

- **Print cover wraps:** Ensure your message is seen by print journal recipients on a cover wrap or belly band.

Other opportunities available. Please contact us today to discuss these highly targeted options!
