## Obituary: William Lewson Burrowes

In the print version of this obituary for William Lewson Burrowes (*BMJ* 2011;343:d7363, doi:10.1136/bmj.d7363), we wrongly said that his wife had died before him, and in the online version we implied the same. The final sentence of both versions

should therefore have said: "He leaves a wife, Nancy; three children; and seven grandchildren." Our apologies.
