Instructions to authors

The following are the minimum requirements for manuscripts submitted for publication.

(1) Typing should be on one side of the paper, with double or triple spacing between the lines and 5-cm margins at the top and left-hand side of the sheet.

(2) Two copies (or preferably three) should be submitted.

(3) Spelling should conform to that of Chambers Twentieth Century Dictionary.

(4) References must be set out in the style used in the Bmj, and their accuracy verified before the manuscript is submitted.

(5) SI units are used for scientific measurements. In the text they should be followed by traditional units in parentheses. In tables and illustrations values are given only in SI units, but a conversion factor must be supplied. For general guidance on the International System of Units, and some useful conversion factors, see The si for the Health Professions (WHO, 1977).

(6) Authors should give their names and initials, their current appointments, and not more than two degrees or diplomas. Each author must sign the covering letter as evidence of consent to publication.

(7) Acknowledgments will not be sent unless a stamped addressed envelope or an international reply coupon is enclosed.

(8) Detailed instructions are given in the Bmj dated 7 January (p 6).
