Education team of the year: innovative approaches to support better care

In this Feature (*BMJ* 2014;348:g1990, doi:10.1136/bmj.g1990), we misquoted Sebastian Mafeld, a radiological registrar at Freeman Hospital in Newcastle upon Tyne, in the section “UK Endovascular Trainees.” The fifth sentence of this section should have read: “Five courses have been run, and 145 doctors trained, including—importantly, Mafeld says—foundation trainees, who

face early decisions about where to specialise and whose choice may be impaired by having no endovascular [not “endoscopic”] experience.”
