Excellence in healthcare is celebrated at The BMJ Awards 2014

In this News story (*BMJ* 2014;348:g3210, doi:10.1136/bmj.g3210), we incorrectly listed South London and Maudsley NHS Foundation Trust as the location of the 3 Dimensions of Care for Diabetes project, when it is, in fact, King's College Hospital NHS Foundation Trust. This error also appears in The BMJ

Awards ceremony brochure, which is available as a "Data supplement" link in this News story.
