Six in 10 doctors in Scotland plan to vote against independence

In this News story (*BMJ* 2014;349:g5072, doi:10.1136/bmj.g5072), we incorrectly stated that the name of the Labour Member of the Scottish Parliament (MSP) in the debate was Andrew Robertson. In fact, his name was Richard Simpson.

In addition, the article incorrectly described the two MSPs as “ministers” when they are, in fact, Members of the Scottish Parliament.
