Deaths

Gray.—On 16 December 1967, at The Paddock, Culcheth, near Warrington, Thomas Gray, M.B., B.Ch., B.A.O., aged 92.

Corrections

Steroid Contraceptive Pills.—In the article by Drs. J. Alagband Zadeh, C. D. Karabus, and J. Fielding entitled, "Haemoglobin Concentration and Other Values in Women Using an Intrauterine Device or Taking Corticosteroid Contraceptive Pills" (23 December 1967, p. 708) the term "corticosteroid" was incorrectly substituted for "steroid" in the editing. We regret this error.

The Cox chair of anatomy to which Dr. D. A. T. Dick was recently appointed (23 December, p. 754) is at the University of Dundee, not Oxford.
