**GUILDFORD DIVISION.**—The annual general meeting of the Division was held on 10 June at the Prince of Wales Hotel, Guildford. Mr. G. N. Golden was in the chair and 44 members were present. Mr. P. S. Boulter reported on progress made towards establishing a medical centre, attached to the local hospital, which could be used by doctors and dentists for social and professional purposes. An overwhelming majority of those present signified their support for such a medical centre. Dr. D. P. Stevenson, Secretary of the B.M.A., addressed the meeting on the current medico-political situation.

**Correction.**—In the report of the debate in the Special Representative Meeting (*Supplement*, 3 July), Dr. C. P. Wallace (Council), speaking in support of a motion by Ayrshire (p. 8), "That if negotiations on the Charter are to continue they must include direct negotiation with the Minister as to the level of remuneration," should have been reported (p. 9) as saying that "his views had *not* changed since March, in view of what had happened since." We regret the word "not" was omitted in the report.
