

CC BY NC Articles

These terms are applicable to authors of BMJ Journals, which are wholly owned or co-owned by BMJ and which are subject to the **BMJ Journals** Author Licence Terms agreed as specified at <http://authors.bmj.com/policies/copyright-and-authors-rights>. The rights granted to authors of **non BMJ owned** journals may or may not be as per below and author must check the relevant author licence also specified at <http://authors.bmj.com/policies/copyright-and-authors-rights>.

Definitions

Author's Original Version (Preprint) (AOV) - the pre-review manuscript that is submitted to a journal, or any earlier draft.

Author's Accepted Manuscript (AAM)- the final draft of a manuscript: post peer review, before the article is copyedited, typeset, and published.

Version of Record (VOR)- the final published article. This is the version of the article that states "first published".

Preprint Server - a dedicated not-for-profit preprint server or subject repository, for example, ArXiv or BioRxiv.

Location	What Can Be Posted?	Embargo Period	Conditions
Preprint Server	Author's Original Version	None	<p>Upon publication of the Version of Record we require that authors add the following text to the first page of deposited AOVs.</p> <p>"This is a pre-review version of [<i>Title, Journal, Volume, Issue</i>]. The peer-reviewed Version of Record can be accessed online at [<i>insert full DOI e.g. http://dx.doi.org/10.1136/xxxxx</i>]."</p> <p>BMJ will consider for publication articles that have previously had a Creative Commons licence assigned to their AOV.</p>
	Author's Accepted Manuscript	None	<p>Under this licence, BMJ encourages the posting of the VOR rather than the AAM.</p> <p>Where an AAM must be posted, it must state that its reuse is allowed pursuant to the terms of the *Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International (CC BY-NC-ND 4.0) licence.</p> <p>A link to the Version of Record on the Publisher's site must be included along with the following text:</p>

			<p>“This article has been accepted for publication in [<i>Journal, Volume, Issue</i>] following peer review, and the Version of Record can be accessed online at [<i>insert full DOI eg. http://dx.doi.org/10.1136/xxxxx</i>].”</p> <p>Should a retraction, expression of concern, or significant correction be applied to the Version of Record, the AAM must state this and link clearly to the published notice.</p> <p>Unless an exact replication of the VOR, all BMJ trademarks (and co-owner trademarks- if applicable) must be removed.</p> <p>Any permitted translations of this manuscript must state: “This is an unofficial translation of a manuscript that has been accepted for publication by BMJ. Neither BMJ or its licensors have endorsed this translation.”</p> <p>All BMJ trademarks (and co-owner trademarks- if applicable) must be removed from any translation.</p>
<p>Institutional Repository (such an institution must be established for academic or scholarly purposes)</p>	<p>Version of Record</p>	<p>None</p>	<p>Articles must state that their reuse is allowed pursuant to the terms of the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) licence.</p> <p>A link to the Version of Record on the Publisher’s site must also be included.</p> <p>Should a retraction, expression of concern, or significant correction be applied to the Version of Record, the VOR must link clearly to the published notice.</p> <p>Unless an exact replication of the VOR, all BMJ trademarks (and co-owner trademarks- if applicable) must be removed.</p> <p>Any permitted translations of this manuscript must state: “This is an unofficial translation of a manuscript that has been accepted for publication by BMJ. Neither BMJ nor its licensors have endorsed this translation.”</p> <p>All BMJ trademarks (and co-owner trademarks- if applicable) must be removed from any translation.</p>

<p>Author's or any other website</p>	<p>Version of Record</p>	<p>None</p>	<p>VORs must not be deposited on a website or be used for any use that could constitute *Commercial Use.</p> <p>Articles must state that their reuse is allowed pursuant to the terms of the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) licence.</p> <p>A link to the Version of Record on the Publisher's site must also be included.</p> <p>Should a retraction, expression of concern, or significant correction be applied to the Version of Record, the VOR must link clearly to the published notice.</p> <p>Unless an exact replication of the VOR, all BMJ trademarks (and co-owner trademarks- if applicable) must be removed.</p> <p>Any permitted translations of this manuscript must state: "This is an unofficial translation of a manuscript that has been accepted for publication by BMJ. Neither BMJ nor its licensors have endorsed this translation."</p> <p>All BMJ trademarks (and co-owner trademarks- if applicable) must be removed from any translation.</p>
<p>PubMed Central and its mirror sites ("PMC")</p>	<p>Version of Record</p>	<p>Issue Publication</p>	<p>BMJ will deposit the VOR, any expression of concern, or retraction, or other notices of all open access articles in PMC on the author's behalf upon "Issue Publication". (Issue Publication" is the 'published online' date on the article information tab).</p>
<p>Scholarly Collaboration Networks ("SCN") that have signed up to the STM article sharing principles here: http://www.stm-assoc.org/stm-consultations/scn-consultation-2015</p>	<p>Version of Record</p>	<p>None</p>	<p>Articles must state that their reuse is allowed pursuant to the terms of the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) licence.</p> <p>A link to the Version of Record on the Publisher's site must also be included.</p> <p>Should a retraction, expression of concern, or significant correction be applied to the Version of Record, the VOR must link clearly to the published notice.</p>

			<p>Unless an exact replication of the VOR, all BMJ trademarks (and co-owner trademarks- if applicable) must be removed.</p> <p>Any permitted translations of this manuscript must state: “This is an unofficial translation of a manuscript that has been accepted for publication by BMJ. Neither BMJ nor its licensors have endorsed this translation.”</p> <p>All BMJ trademarks (and co-owner trademarks- if applicable) must be removed from any translation.</p>
