

BMJ Journals

Getting started guide

Make the most of your access to BMJ Journals

- BMJ Journals publish over 60 medical journals across a range of specialties.
- Enjoy online editor's choice articles, blogs, podcasts, online first articles and much more.

To view the full range of journals that we publish, visit journals.bmj.com.

journals.bmj.com

1. Submit your paper via our online submission system
2. Browse the archive by year and issue
3. Read articles as soon as they are published online
4. View the current issue
5. Read the top most read articles from the previous month
6. Register to receive regular electronic table of contents
7. Search the recent issue or archive via the advanced search tool
8. View related Journals

The screenshot shows the BMJ Journals website for the 'Gut' journal. The page layout includes a navigation bar with 'Subscribe', 'Log In', and a search box (7). Below the navigation bar, there are links for 'Latest content', 'Current issue', 'Archive', 'Authors', and 'About' (2). The main content area features a description of the journal, its impact factor (14.921), and a 'Current issue' section (4). Below this, there are two columns: 'LATEST CONTENT' (3) and 'MOST READ ARTICLES' (5). At the bottom, there is a 'PUBLISH IN THIS JOURNAL' section (1) with links for 'Instructions for authors', 'Author toolbox', and 'Submit a paper'. Finally, there is a 'RELATED JOURNALS' section (8) featuring 'FRONTLINE GASTROENTEROLOGY'.
