BMJ in the News is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

Coverage for December 6-12

Graphs show press releases that generated 500+ daily visitors to journal sites up to 7 days after embargo lift

PRESS RELEASES

The BMJ
BMJ Global Health | Heart
Regional Anesthesia & Pain Medicine

EXTERNAL PRESS RELEASES

The BMJ | Annals of the Rheumatic Diseases | Archives of Disease in Childhood
BMJ Open | BMJ Global Health
