**BMJ in the News** is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

**Coverage (10-16 January 2022)**

Graphs show press releases that generated 500+ daily visitors to journal sites up to 7 days after embargo lift

**BMJ**

**PRESS RELEASES**

- The BMJ | Journal of Epidemiology & Community Health
- Occupational & Environmental Medicine | Thorax
