BMJ in the News is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

Coverage for 1st-7th August 2022

BMJ

PRESS RELEASES

The BMJ | BMJ Global Health | BMJ Nutrition Prevention & Health | BMJ Open
