BMJ in the News is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

Coverage for 17-23 January 2022

Graphs show press releases that generated 500+ daily visitors to journal sites up to 7 days after embargo lift

PRESS RELEASES

The BMJ | Emergency Medicine Journal
BMJ Evidence-Based Medicine
British Journal of Ophthalmology | Journal of Medical Ethics
