BMJ Best Practice

NHS

NHS Funded, free to NHS staff and learners

Go to **bestpractice.bmj.com**

Do you already have a BMJ Best Practice personal account?

Click 'Log in' and **access using** the **email** and **password** you entered when you subscribed. You are now logged in with a personal account.

Do you have access to BMJ Best Practice via your organisation's network (IP)?

You will **see your institution's name** at the top of the page to show you have access.

Do you have access to BMJ Best Practice via OpenAthens?

Click 'Log in' and select the **OpenAthens option*** and follow the registration process. You will then be taken back to BMJ Best Practice.

*If you need help with your OpenAthens account, contact your local NHS library or search **hlisd.org** for your local service.

Set up a personal account.

You will be prompted to create a personal account on your first visit. You can also click 'create account' on the top right corner of the homepage.

Download the BMJ Best Practice App

Search for 'BMJ Best Practice' on the App Store or Google Play. Select the app and start the download. Enter your personal account login details to complete the download*.

* Available for Android 4.2 (API version 17+), iOS 7 and above
