**BMJ in the News** is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

**Coverage for 21 - 27 August 2023**

**PRESS RELEASES**

- BMJ Mental Health | Gut
- Journal of Epidemiology & Community Health

**EXTERNAL PRESS RELEASES**
