

**BMJ in the News** is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

**Coverage for 20 - 26 November 2023**

## **PRESS RELEASES**

### **INFLUENCE**

Drew Hendry (Shadow SNP Spokesperson) mentioned **The BMJ** in a House of Commons debate over the government's 2023 Autumn Statement. *"The BMJ warned last month that the cost of living crisis "will cut lives short". The Chancellor's choices mean the Government are saying to millions of people, "We don't care."*
