

## People in the news

Professor Michael F Oliver has been elected president of the British Cardiac Society.

Professor D A Shaw has been appointed dean of medicine in the University of Newcastle upon Tyne from 1 October 1981.

## Association Notices

### Medical Advisers in the Pharmaceutical Industry Group

The annual meeting of the Medical Advisers in the Pharmaceutical Industry Group will take place on Friday, 5 June at 4 pm at the Royal College of Obstetricians and Gynaecologists (Nuffield Hall), 27 Sussex Place, Regents Park, London NW1.

There are at present two vacancies in the membership of the Group Committee and nominations are invited to fill these seats. The nominator and nominee must be members of the group. Those elected will serve until June 1982. Nominations should be sent to the AMAPI Secretariat, 41 Queen's Gate, London SW7 5HU, to arrive not later than 8 May 1981. In the event of more than the required number of nominations being received a ballot will be held.

Any member of the BMA who is a medical adviser in the pharmaceutical industry and who is not also a member of AMAPI and wishes to be included in the group should contact the administrative secretary at the address given above.

J D J HAVARD  
Secretary

## UNIVERSITIES AND COLLEGES

### NEWCASTLE UPON TYNE

*Promotions to senior lecturer*—Dr R K Jordan (anatomy); Dr M W Marshall (physiology).

**ROYAL COLLEGE OF PHYSICIANS OF LONDON**  
Sir Douglas Black has been re-elected president for the ensuing year.

### Correction

We regret that the name of Dr J M Bell was omitted from the list of new members of the Royal Colleges of Physicians of the United Kingdom (18 April, p 1327).

## CONSULTANT APPOINTMENTS

**HAMPSHIRE AHA**—Mr D L Boase (ophthalmic surgeon); Mr H W Steer (surgeon).

**LEICESTERSHIRE AHA(T)**—Dr A J E Flower (virology); Dr J M Hogan (histopathology).

### Correction

#### New fellows of the Royal Society

We regret that the name of Professor P G Phillips, Wolfson professor and director of the Wolfson Laboratory for Research in Gerontology in the University of Hull, was omitted from the new fellows elected to the Royal Society on 19 March (4 April, p 1165); he is "distinguished for his pioneering studies on the endocrinology of salt and water balance in fish and birds."
