Smartphone GP consultation app cost CCG £150 000 in first two months

Clarification - The CCG has pointed out that the surgery referred to in this story (*BMJ* 2018;360:k221, doi:10.1136/bmj.k221) was previously known as The Lillie Road Medical Centre (full address is [139 Lillie Road](#) Health Centre) and is now called the

GP at Hand practice. The CCG also made clear that The Lillie Road Medical Centre/GP at Hand practice is in no way not affiliated to The Lillie Road Surgery, which is a separate surgery based in Fulham, West London.
