HOURS OF ATTENDANCE AND OPERATION DAYS AT THE LONDON HOSPITALS.

LETTERS, NOTES, AND ANSWERS TO CORRESPONDENTS.

COMMUNICATIONS for the CURRENT WEEK'S JOURNAL should reach the Office not later than THURSDAY, 20 January 1900. Telegrams can be received on THURSDAY MORNING.

COMMUNICATIONS respecting Editorial matters should be addressed to the Editor, 1 Agar Street, W. (London). Business matters, advertisements, and delivery of the JOURNAL, etc., should be addressed to the Manager, at the Office, 420 Strand, London, W.C.

ORIGINAL ARTICLES and LETTERS forwarded for publication are understood to be offered for the exclusive consideration of the BRITISH MEDICAL JOURNAL, without the expression of special permission. Authors desiring reprints of their articles published in the BRITISH MEDICAL JOURNAL are requested to communicate with the Manager, 420 Strand, London, W.C., on receipt of proofs.

Correspondence which is not intended for publication will not be acknowledged. Correspondence is not answered which has not been accompanied with their names—of course not necessary for publication.

LETTERS, NOTES, Etc.

ERRATA.

In Dr. E. Percy Fenton's article on a Case of Ruptured Ureter and Renal Pelvis, in the BRITISH MEDICAL JOURNAL of January 13th, p. 71, col. 2, line 30, "vertical" should read actual. There should be no point after the bracket in line 37; on line 39, "case" should read case, and on line 45 "slight" should read a "little" pus.

In the second line of the notice of eucaine hydrochloride published in the BRITISH MEDICAL JOURNAL of January 13th, p. 54, the word "cocaine was in error for "eucaine.

OPEN AIR SANATORIA.

A HOME called Brinkles Sanatorium has been opened at Bournemouth under the medical direction of Dr. A. Kinsey-Morgan for the application of open air treatment by the inspiration of pure air. The nursing is under the supervision of a lady who was for some considerable time with Dr. Walden at Winslow. Further particulars can be obtained on application to the matron.
