ROYAL COLLEGE OF PHYSICIANS OF LONDON

At a quarterly meeting of the College held on 29 January, with the president, Sir Max Rosen- tin, in the chair, Colonel R. G. Mackay, who had been appointed to the chair of military medicine held jointly between the College and the Army Medical Service, the following were appointed or re-appointed College representatives:

- Dr. E. G. G. Rhind (Sheffield Regional Postgraduate Committee),
- Dr. R. Morey (Mauritius Postgraduate Committee, University of Mauritius),
- Dr. W. D. Brinton (Wessex Postgraduate Medical Committee),
- G. H. Hough (South-west Committee),
- Dr. A. W. Woods (South-west Metropolitan Region Postgraduate Medical Committee),
- Dr. J. S. Sturfforth (South-east Metropolitan Region Postgraduate Medical Committee),
- Dr. F. J. W. Miller (Central Midwives Board).

Dr. A. N. Exton-Smith was elected to the Council in place of Dr. J. C. Gilson who had resigned.

The following, having satisfied the Censors' Board, were admitted Members of the College:

Licences to practise were conferred upon the following candidates:

Diplomas were granted, jointly with the Royal College of Surgeons of England, as follows:

- DIPLOMA IN ANATOMY.
- DIPLOMA IN SURGERY.
- DIPLOMA IN PATHOLOGY.
- DIPLOMA IN TROPICAL MEDICINE.

Details of the diplomas and other certificates awarded will be published in the next issue of the Journal.

ROYAL COLLEGE OF PATHOLOGISTS

The following have been admitted to the Membership:

Deaths

Correction

Sublime and Inventive Genius

In the review by Professor W. H. McMenemey (24 January, p. 220) of the book John Hunter by Elenor Dobson, the cartoon reproduced on page 541 depicts a man who was supposed to have produced into town should have been described as being drawn by zeus.

Vagotomy for Peptic Ulceration

Mr. Harold Burge points out that he should have given 2-4 mm. of the rise in gastric pressure indicative of incomplete vagotony in his letter of 31 January (p. 301).

Notice to Authors

When original articles and letters for publication are not submitted exclusively to the British Medical Journal they must be stated.

Correspondence on editorial business should be addressed to the Editor, British Medical Journal, B.M.A. House, Tavistock Square, London W.C.1.

Authors wanting reprints of their articles should notify the Publisher when converting B.M.A. House, Tavistock Square, W.C.1, on receipt of proofs.

Subscriptions

Members' subscriptions should be sent to the Secretary of the British Medical Association, 55-56 Tavistock Square, London, or to the Scottish Secretary, B.M.A. Scottish Office, Drumhurgh Gardens, Edinburgh.

Doctors who are not members of the B.M.A. for doctors resident in the United Kingdom and abroad are given on the first page of the classified advertisements. These include the rates for the North American "Air Express," which is available to both members and non-members of the B.M.A.

Classified Advertisements

Doctors Abroad—Copies of the appointment vacancies advertised in the B.M.J. can be sent by air-mail on request. Members’ rates: the minimum cost is 40s. for six weeks’ supply, for which copies of vacancies in up to five sections of the classified advertisements will be sent. Non-members’ rates 60s. minimum for six weeks’ supply of five headings or less. Additional headings, (for members and non-members) 10s. each for five headings. Orders for specific grades in any section cannot be accepted. Payment must be prepaid and enclosed with the application.

Details of rates, etc., for classified advertisements appear on the first page of the classified section.
