MEDICAL NEWS.

ERRATUM.—In the report of the discussion on Hospital Isolation and the Disinfection of Patients in the Section of Public Medicine which was published in the British Medical Journal for August 28th, certain remarks on disinfection on p. 524 were erroneously attributed to F. Fraser, M.D., M.O.H. Sevenoaks Union. The speaker was Dr. A. Mearns Fraser, D.P.H., of Chelmsford.

Dr. Hans von Becker has been appointed Physician in Ordinary to the Khedive, in succession to Comonos Pacha, who is to be allowed to resign that position. Becker Bey is at one time practised in Vienna, where he acquired some reputation as a specialist in diseases of children. For some years he has been connected with the Crown Prince Rudolph Hospital in Cairo.
