Hospitality

A French woman doctor, aged 46, living in Bains-les-Bains (Vosges), would like to stay with a British medical family of similar age from 15 October. The doctor would prefer to stay with a family living in or near London.

A Swedish doctor, living in Stockholm, would be pleased to receive a British doctor's daughter as an *au pair* from 1 October for 6 to 12 months. The doctor would like the girl to help with light household duties and with looking after three boys aged 10, 6, and 4. There are facilities for language classes if required.

Would anyone who is interested please get in touch with Dr. R. A. Pallister, Medical Director, International Medical Advisory Bureau, B.M.A. House, Tavistock Square, London W.C.1.
