Corrections

Case for Certification

The letter by Dr. D. Riopa (6 June, p. 607) is followed by a line from the end of the second paragraph should read “untold numbers of healthy malingerers” and not “untold members” as was erroneously printed.

Appointments. The appointment of Dr. A. A. G. Lewis, M.D., F.R.C.P., to the Tunbridge Wells Group (6 June, p. 614) should have read: “consultant in charge of diabetic clinics and regional adviser in postgraduate education.”
