In this photo item by Oliver Brandt and colleagues (*BMJ* 2011;342:d2987, doi:10.1136/bmj.d2987), we stated that all authors were affiliated to the Department of Dermatology, Ludwig Maximilian University, 80337 Munich, Germany. This was wrong: only Walter Burgdorf is affiliated to that institution.

All the other authors are affiliated to the Department of Dermatology, Municipal Hospital Darmstadt, 64297 Darmstadt, Germany.
