### **Clinical features and neuroimaging (CT and MRI) findings in presumed Zika virus related congenital infection and microcephaly: retrospective case series study**

This Research paper (*BMJ* 2016;353:i1901, doi:10.1136/bmj.i1901) contains an error in table 5. The number (%) of children

with calcifications in the cerebellum should read “2 (9.1),” instead of “11 (50)” as was published.
