Correction

This Endgames article (BMJ, 2019, 367; doi:10.1136/bmj.l6257; https://www.bmj.com/content/367/bmj.l6257) has been corrected to make it clear that the epidural abscess that was causing this patient’s spinal compression is not visible on the magnetic resonance imaging sequence shown in figure 1 and figure 2.
