Association of troponin level and age with mortality in 250 000 patients: cohort study across five UK acute care centres

In this paper by Kaura and colleagues (*BMJ* 2019;367:l6055, doi:, published 21 November 2019), the middle initial of a coauthor's name (Folkert W Asselbergs) was missed and not picked up before publication. The online article and PDF will be updated in due course.
