---

**Corrections**

**Undergraduate Curriculum**

In the letter from Dr. G. E. Crawford (14 October, p. 116) the first sentence of the second paragraph should have read: "Undergraduate education completed, his continuing education will be designed to include an element of training," and not "Underground" as published.

---

**Notice to Authors**

When original articles and letters for publication are submitted to the British Medical Journal, this must be stated. Accepted articles may subsequently be selected for publication in the North American monthly edition. Correspondence on corrections should be addressed to the Editor, British Medical Journal, B.M.A. House, Tavistock Square, London W.C.I. Telephone: 01-494 4499. Telegrams: Astrology, London, W.C.1.

Authors wanting reprints of their articles who are not submitted exclusively to the British Medical Journal may be charged for the cost of the reprints. This is not the case with all journals published by the B.M.A. House, Tavistock Square, WC1H 9JR, on receipt of proofs.
