TO CORRESPONDENTS.

Communications have been received from Dr. Young; the Birmingham Pathological Society; Dr. Ranking; Mr. R. H. Meade; Mr. Joseph May; Mr. Wilton; Mr. Winzar; and Mr. Pasquin.

We have been compelled to postpone the account of the Gloucester Meeting until next week, and regret that we have not been able to give the proceedings of some of the meetings reported this week at greater length. The observations of the movers and seconders of resolutions at the Suffolk, Shrewsbury, and Essex meetings in particular, were highly deserving of attention.

It is requested that all letters and communications be sent to Dr. Streeten, Foregate Street, Worcester. Parcels, and books for review, may be addressed to the Editor of the Provincial Medical and Surgical Journal, care of Mr. Churchill, Princes Street, Soho.
