

Dear Editor,

Many thanks for your considered comments and provisional offer of publication. We have revised the draft manuscript to address the points raised in the decision letter, and these have been identified as direct comments within the Word document as suggested. Significantly the word count has been reduced to 2,030 words which I hope is sufficient.

If there is anything further you require then please do not hesitate to let me know, and once again thank you for this opportunity.

Best Wishes,
James Kinross
